

ASX Announcement

15 October 2018

## Transactional Revenues continue strong growth

### Highlights

- Financial transaction processing revenue for the quarter increased to \$856k, giving an annualised run rate of approximately \$3.5m
- Comparing the September 2018 quarter to the September 2017 quarter gives growth of approximately 374% for the year

**Novatti Group Limited (ASX:NOV)** (Novatti or ‘the Company’), an online financial transactions processor and financial technology developer, is pleased to provide a financial update.

Transactional revenue has increased 16% from \$736k to \$856k (unaudited) over the September quarter, as a result of continued growth in its Flexepin, remittance services and Chinese payments. From the September 2017 quarter to the September 2018 quarter, transaction processing growth was approximately 374%.

The Company expects transaction revenue to continue to strongly grow in FY19 supported by the addition of new payments services agreements that will commence revenues in the December quarter.
